# Q14 How interesting do you rate the following teaching methods?

**very interesting**

# Q14 How interesting do you rate the following teaching methods?

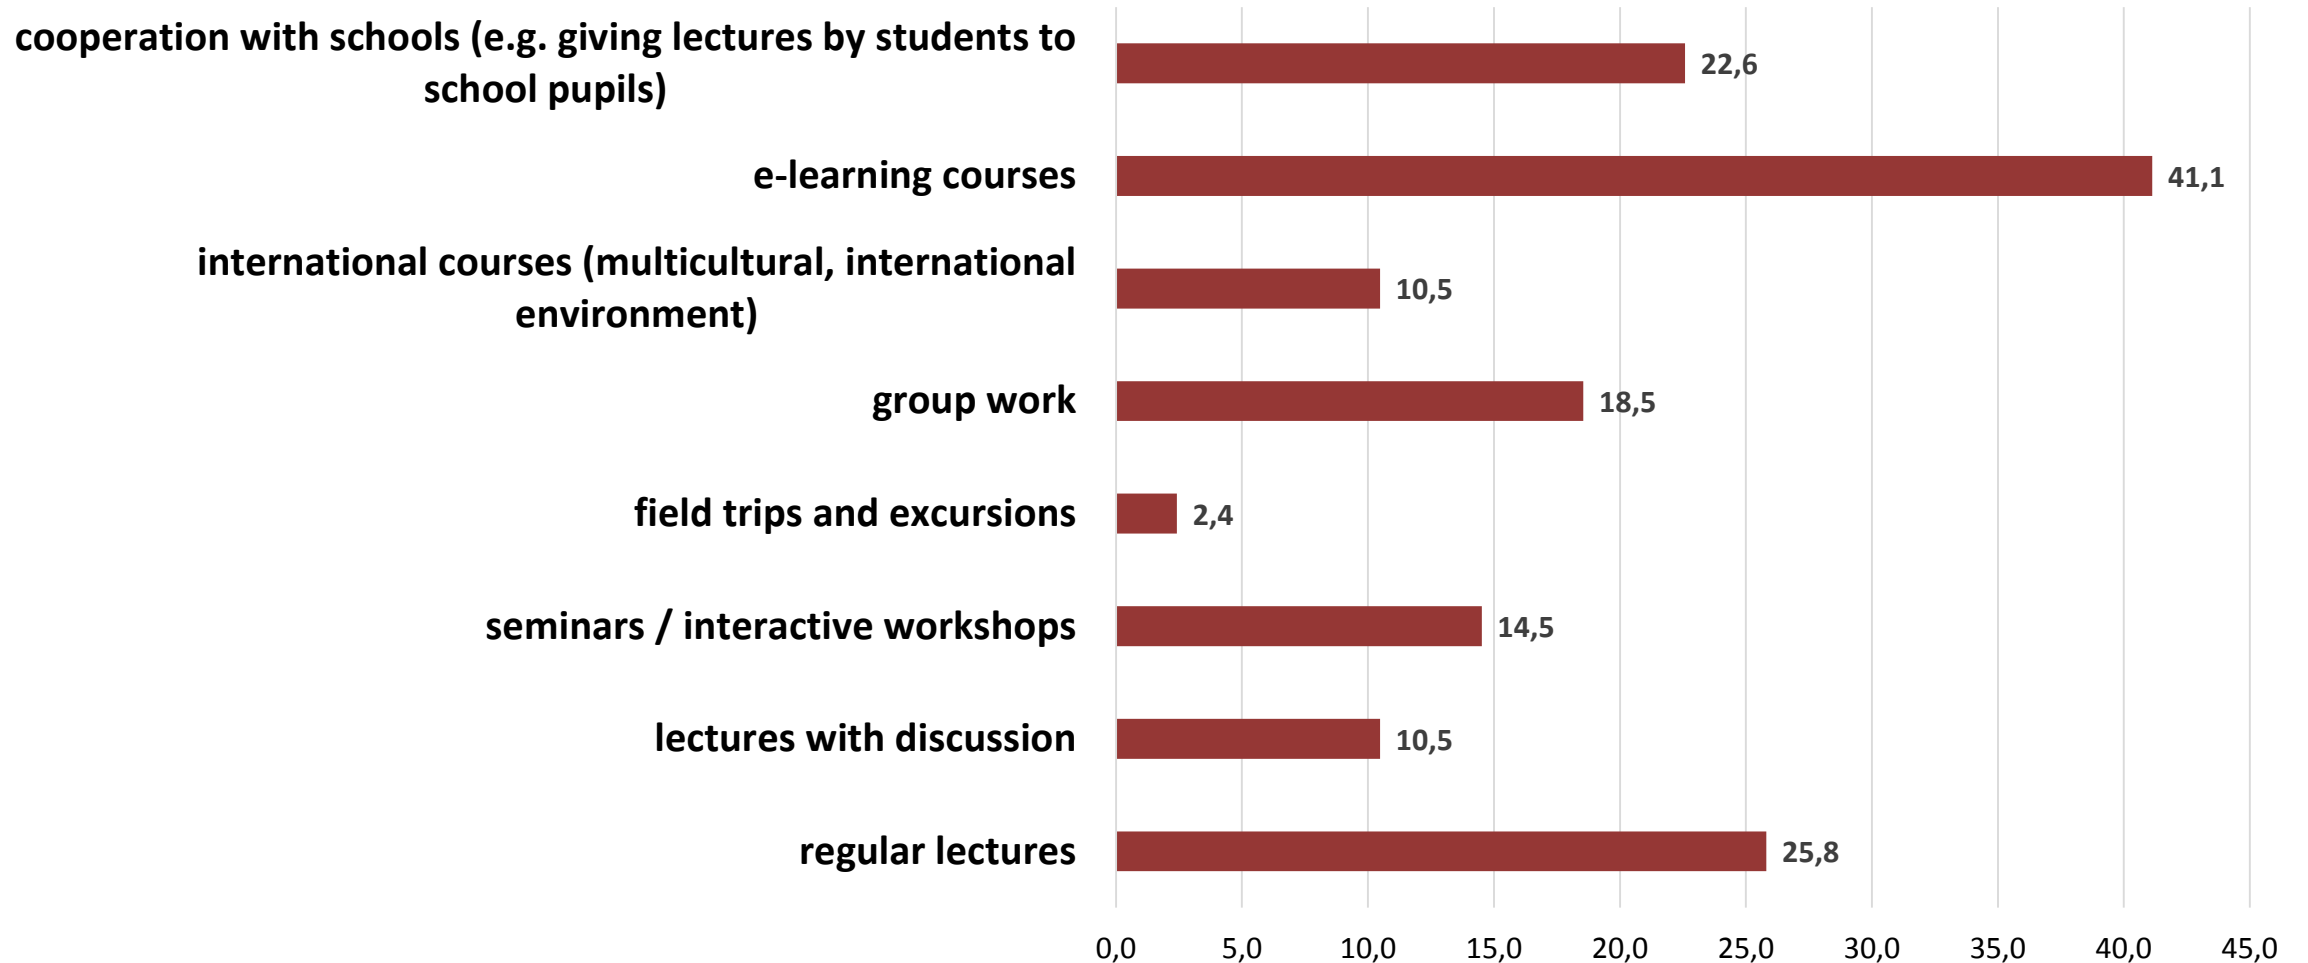

**moderately interesting**

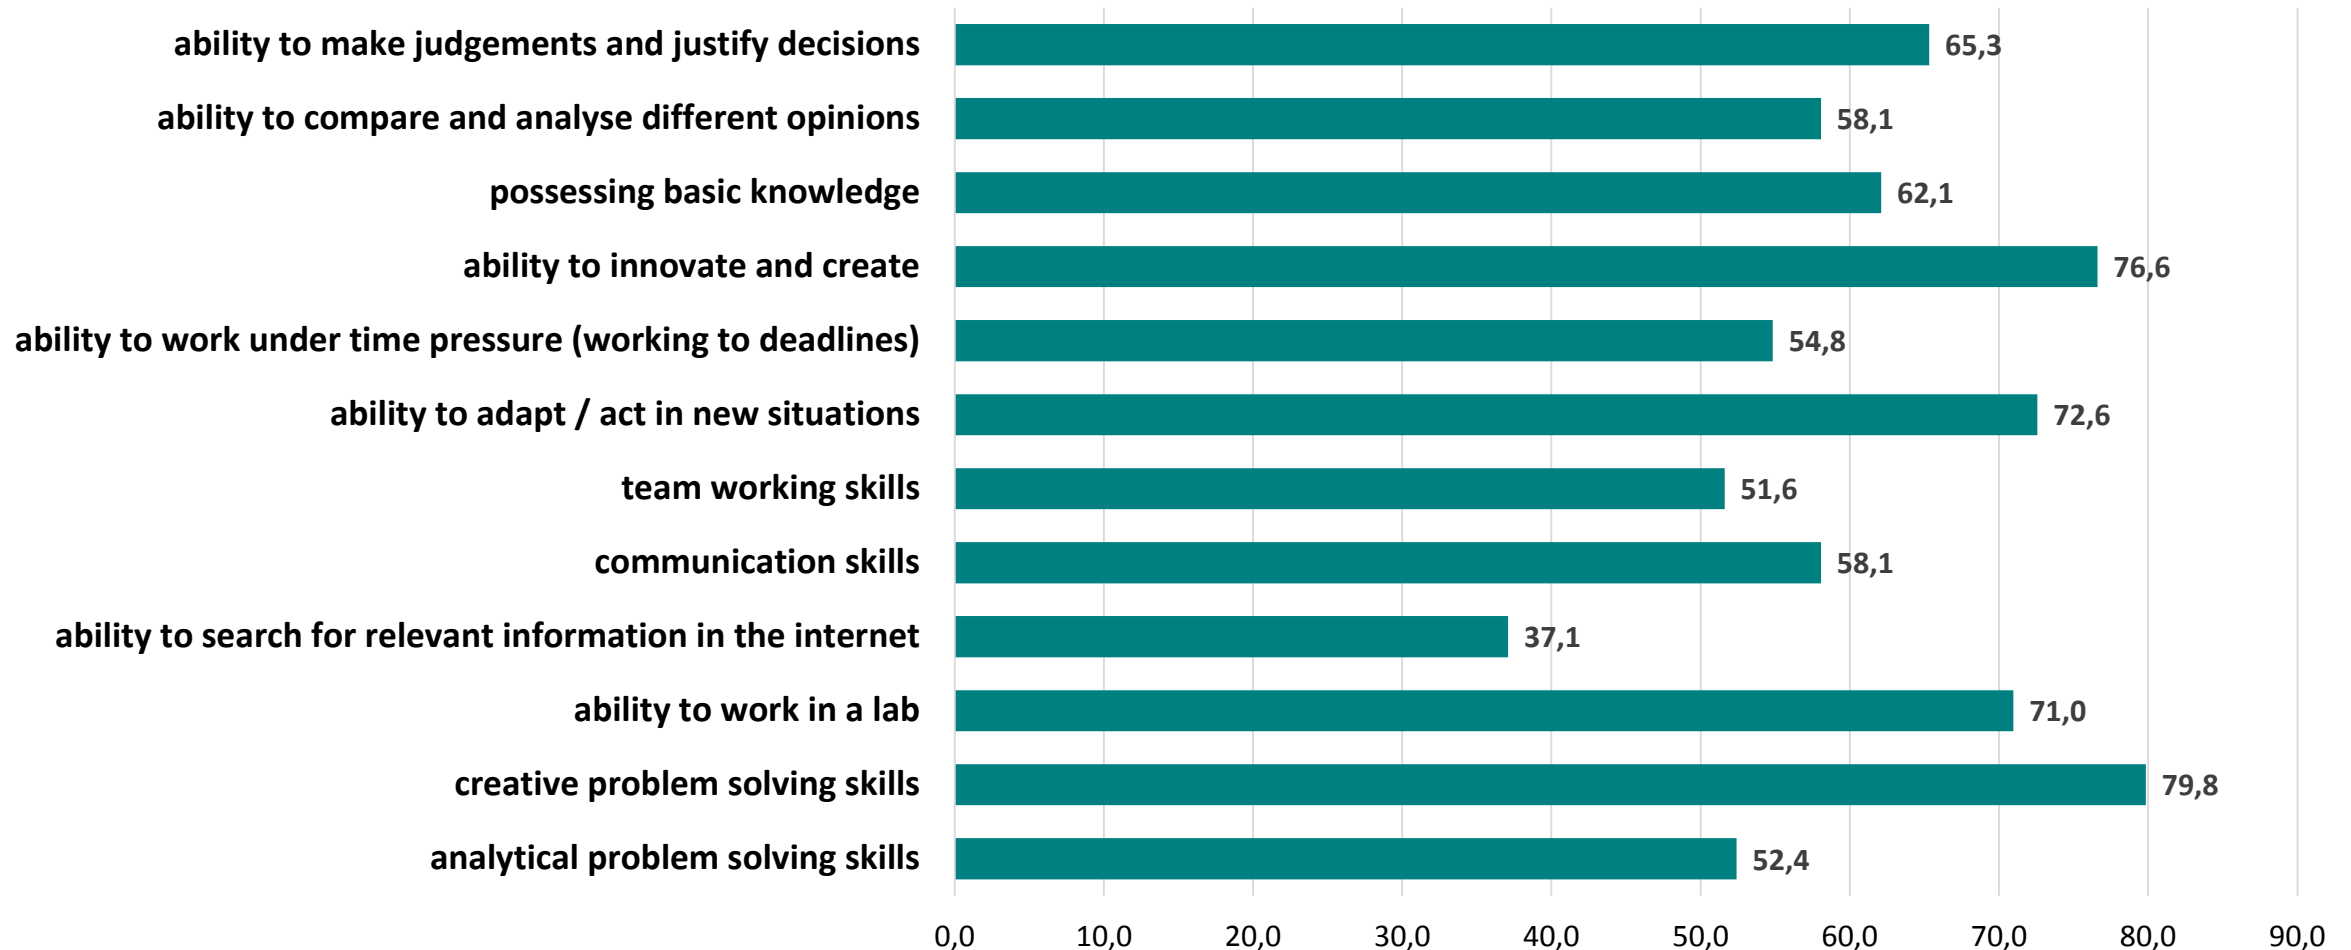

# Q14 How interesting do you rate the following teaching methods?

**not interesting at all**

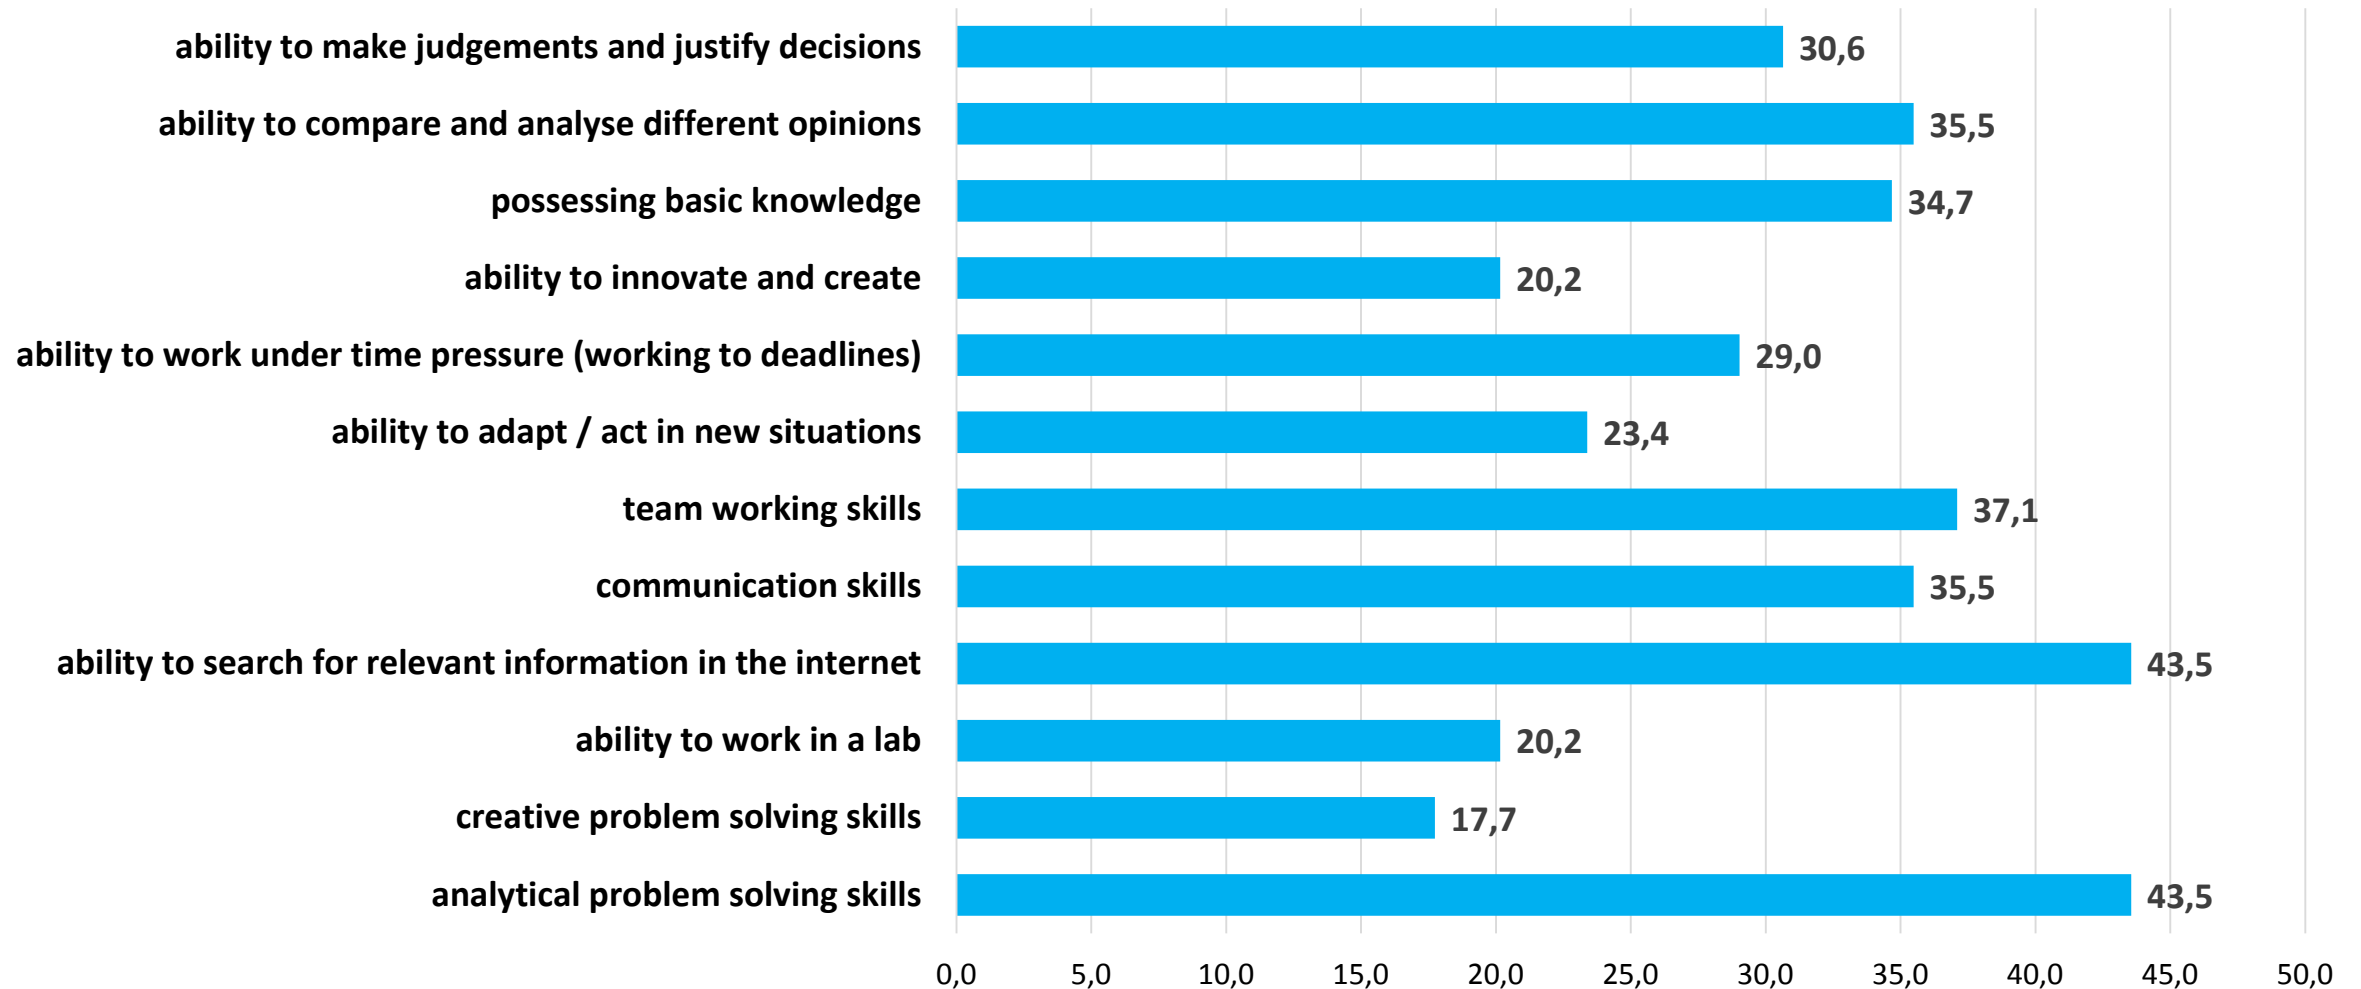

# Q16 How interesting would you find learning the following skills specific to Sustainable Food Systems?

**very interesting**

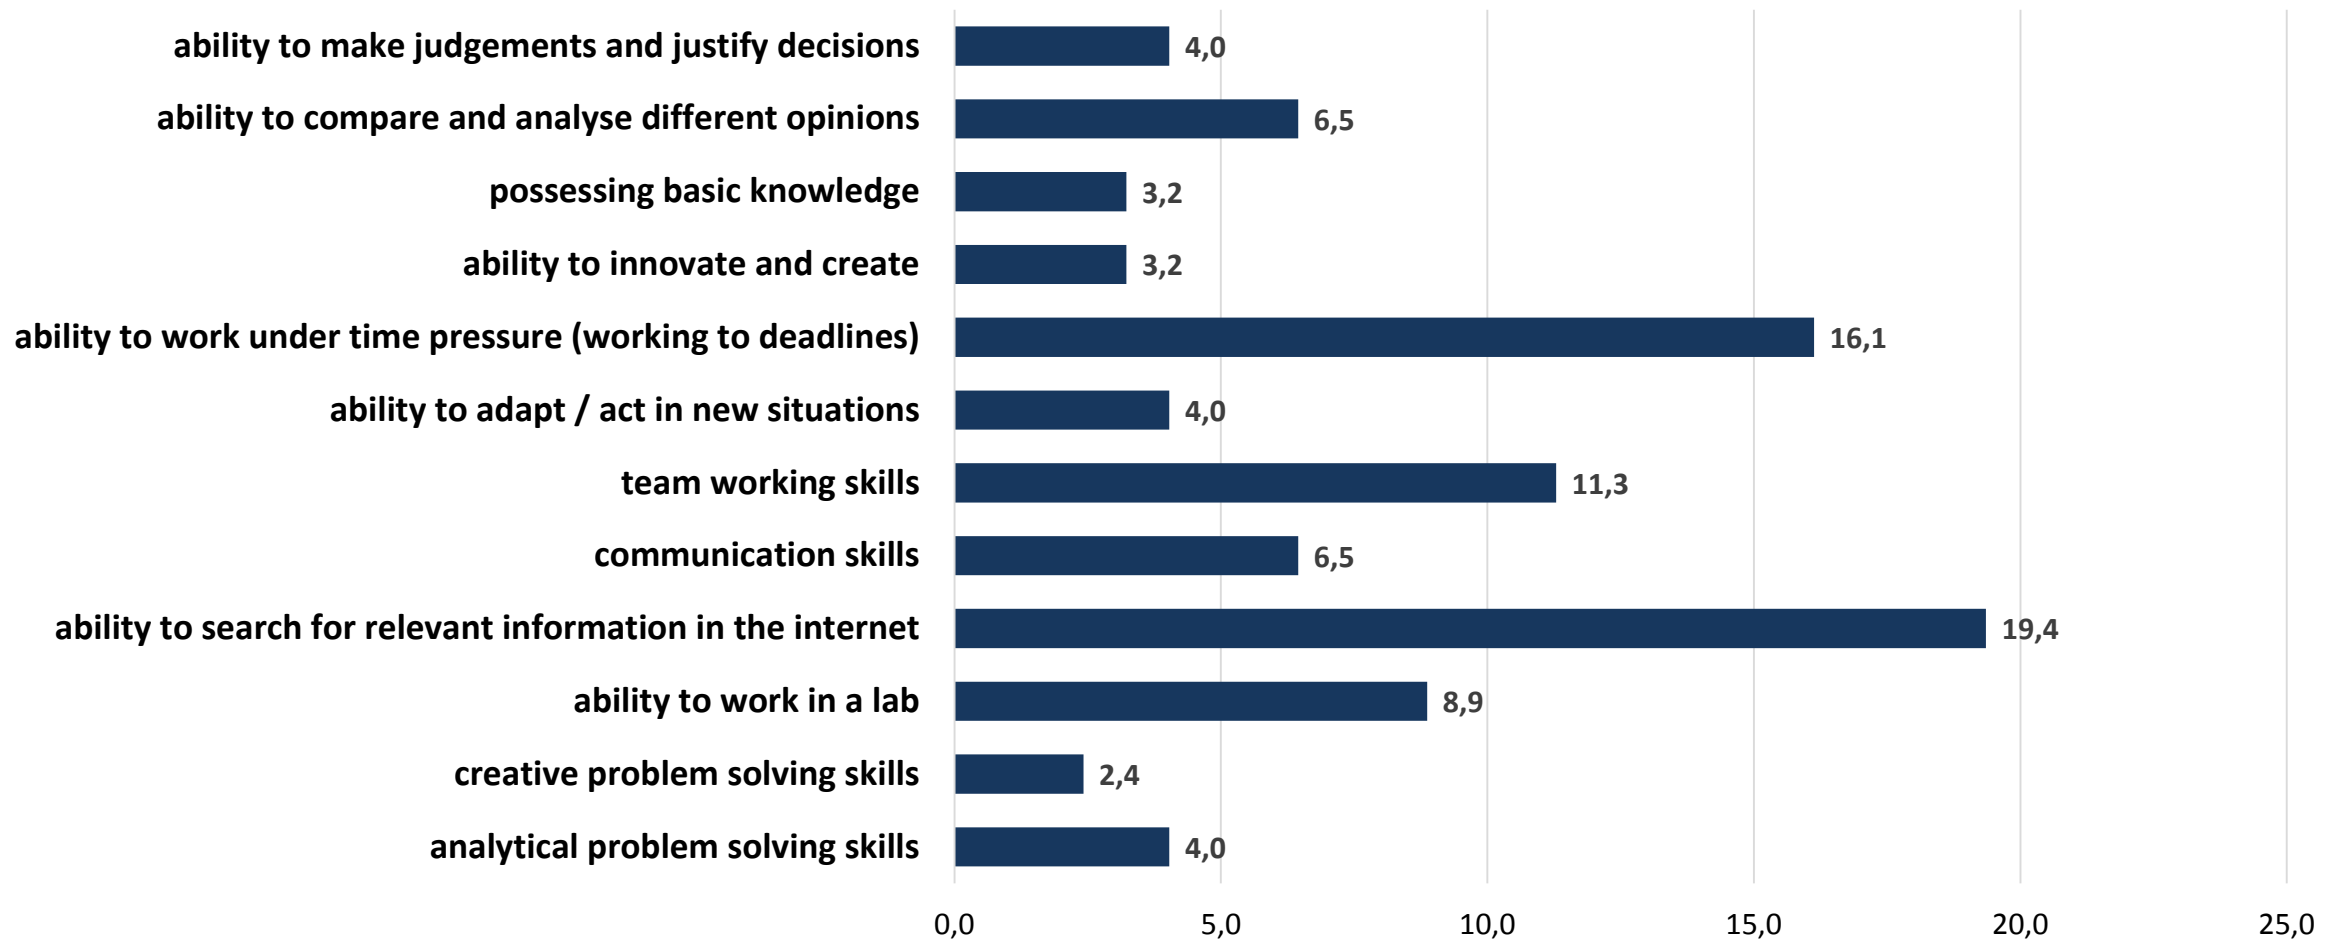

# Q16 How interesting would you find learning the following skills specific to Sustainable Food Systems?

**moderately interesting**

# Q16 How interesting would you find learning the following skills specific to Sustainable Food Systems?

**not interesting at all**

**Q15 Are there further teaching methods which you would like used?**

**YES:**

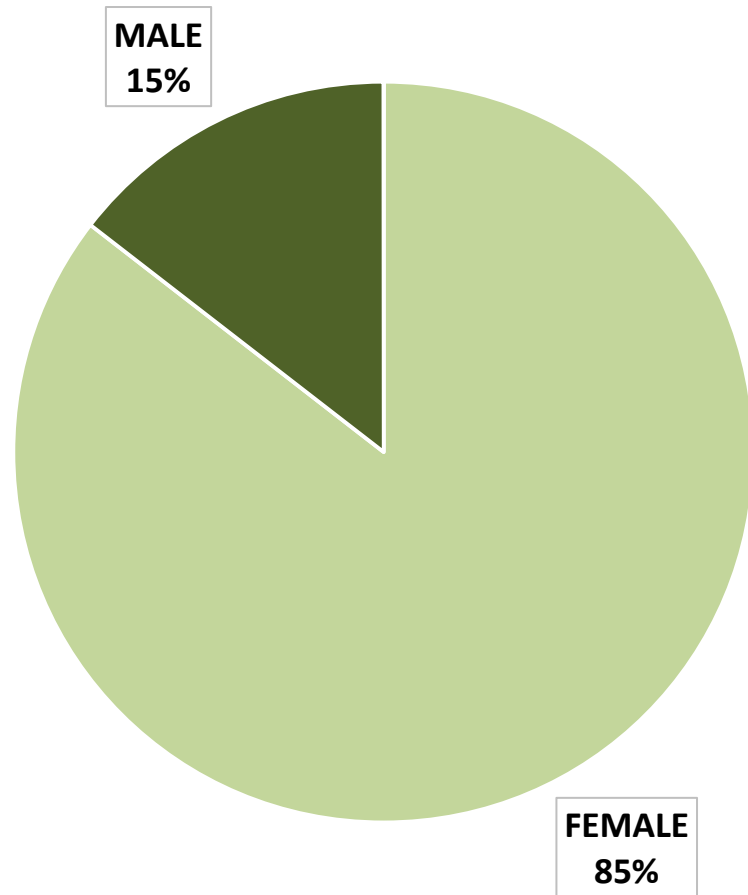

- **Learning through fun**
- **Practical activities**

**Q17 Is there another skill which you would like to learn?**

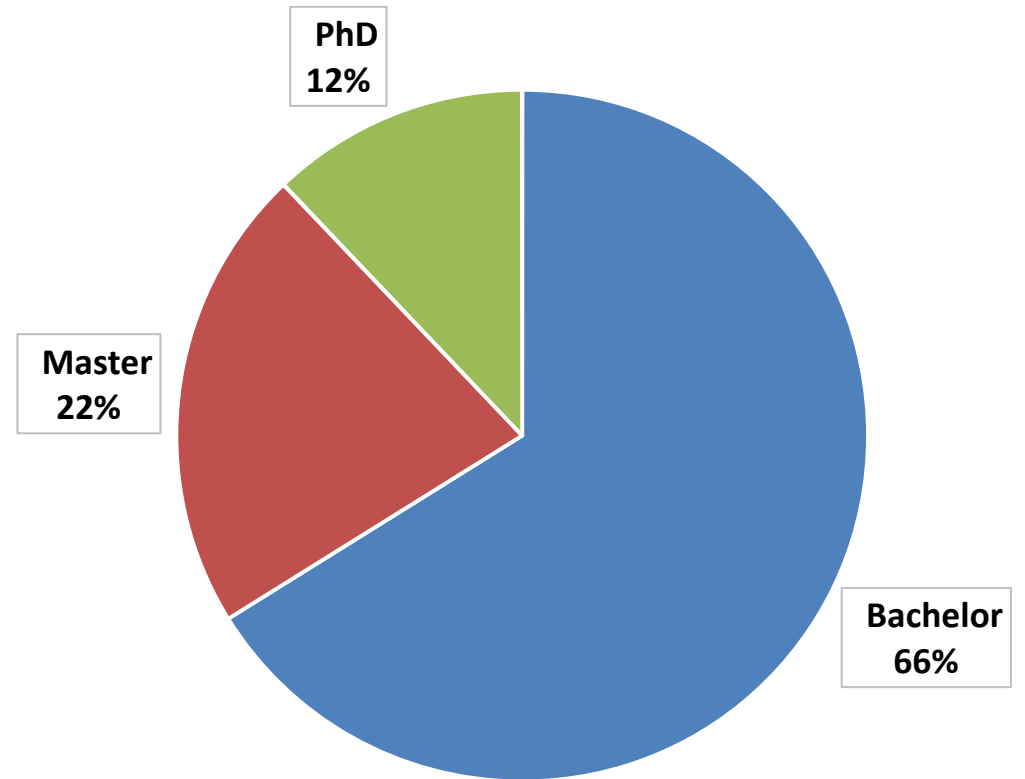

**NO:**

**Part III**  
**GENERAL**  
**INFORMATION**

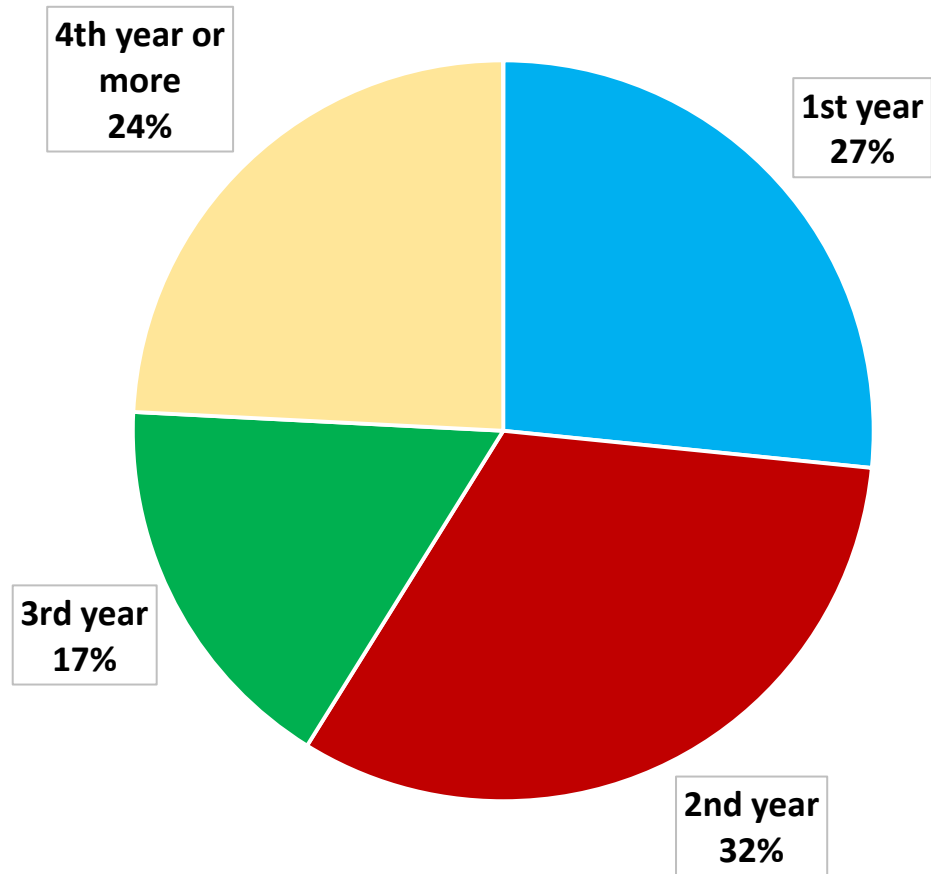

## Q19 Gender

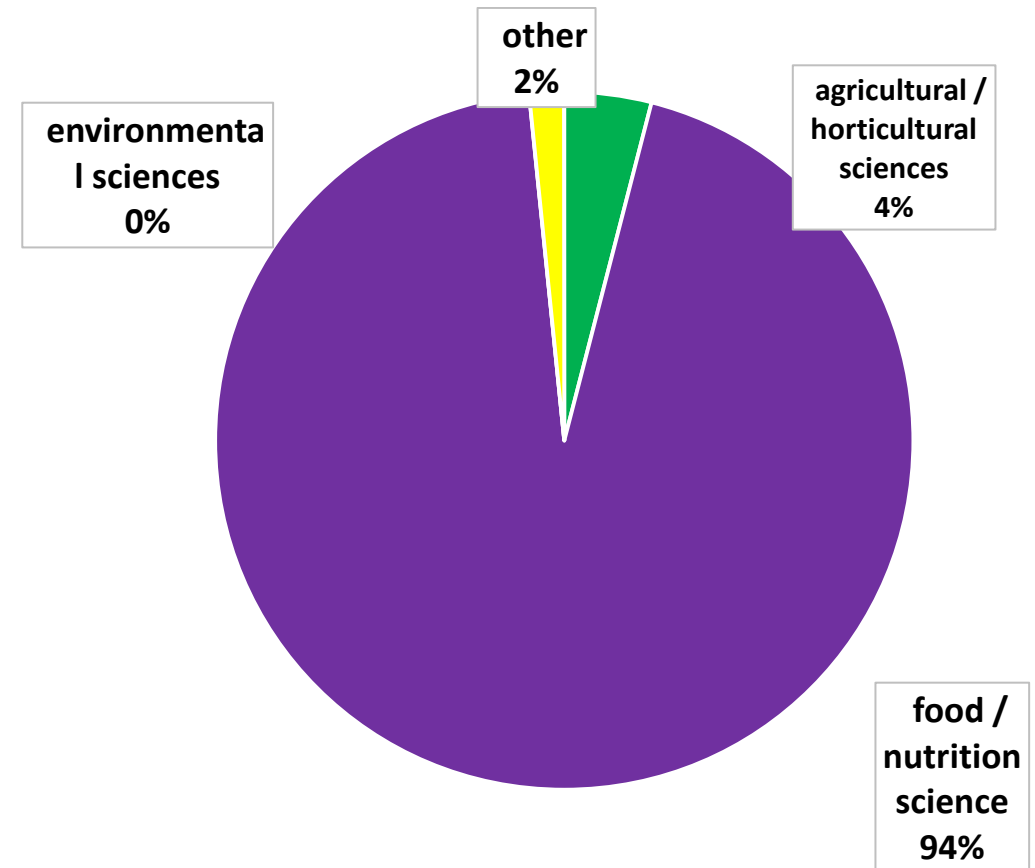

## Q21 Academic degree presently studying for

## Q22 In which year of study are you?

## Q23 What field is your present study programme in?

**Thank you!**
